CHAIR - Staci B

Hey everyone! Thank you for excusing me this month and I am so grateful to Jen, our bad ass CO-CHAIR!

A few things that I hope get discussed...

The Cedar SWC was a bummer. My conversation went so well with Bill though. He was understanding, he listened and also we had to be accountable for the issues. He did say that Debbie has a list of issues with us specifically. So if we aren't able to go back, which sounds like we aren't.... What is the plan? He told me he would call Debbie and talk to her. But based on my convo she doesn't seem like she would like to welcome us back!

We CAN NOT PROP THE DOOR. For any reason.

I know there are quite a few things for open forum but I would like to make sure the website is discussed if possible. The Webservants are kicking ass but are we asking them to do things

beyond their scope? How are they feeling about rebuilding the site and having to learn additional things to keep it going? We have the money to pay for help, I am sure everyone is aware of this but hope it can be a beneficial discussion.

See you all in November-

Love you all, staci

CO CHAIR - Jen J.

NO REPORT

SECRETARY - Kodi M

Thank you so much Landon for filling in for me tonight, as I am going to Taylor Swift in concert tonight!

TREASURER'S REPORT - Jeri D/ Angie

I called today to pay for the bus ad. I paid \$300 for two months like I usually do. The lady I deal with, Susan, asked me if we were going to renew our contract. I told her that that's not my decision. She also told me that they have an ad on the outside of the bus and they would be happy to give that spot to us first I asked her if she could hold that spot until Monday. She said she would be happy to do so. I'm sure somebody else will be discussing this at ASC this weekend.

Thank you so much for allowing me to be of service!

Jeri B

RCM REPORT - Layton

Thanks for letting me serve in this capacity. Here is what I have for you from the region. I apologize if I am unable to make it today.

Monthly GSR Orientation

I wanted to start this month but I won't be ready. Starting next month I will host a GSR orientation 1 hour before the area every month. If any GSRs have immediate needs or questions, please reach out to me ANY TIME. I'm always here to help.

Open Positions:

Region still has two open positions. Vice Treasurer and Vice Secretary. If anyone is interested in serving at the Region level please come to our next RSC.

Finances in Question:

There has been a lot of conversation about how money is spent and allocated. Last RSC we almost emptied our spending allocation. Donations have kept us in the black but I feel strongly that this should be looked at. It's my job to bring information to you but it's the area's job to push for change and ask for information. We have roughly \$7000 available to spend before dipping into our reserves. We have a planned trip in November in which we are sending 8 people to WSDL and expect the cost to be ~\$8000. We do have income to cover these expenses but we are riding a line.

In other words, if our regional finances are something you or your groups feel are important, I am formally letting the area know that it's time to start asking questions. Please reach out to me or bring any questions you may have to the area next month.

My phone and email are included in this report.

Hello family! Addict Nicole

H&i had our business meeting Friday October 13th at 6:30 p.m. Thank you Kodi, my amazing co-chair for covering the meeting so I could go to a memorial service for a dear friend. I will be putting in a motion for \$500 for h&i's final event of the year. We are having it at the alano club December 10th, which is a Sunday from 2:00 p.m. to 4:00 p.m. the theme is service and ugly Christmas sweaters we will have games and a free Zumba dance and prizes for the ugliest Christmas sweaters! We oriented five new people and will be going into the jail starting Saturday October 21st. Our time slot is 3:00 p.m. to 4:15 p.m. I have attached the site to go on to get cleared.

washeriff.net (PCF volunteers)

People need a year clean not on paper and no family members in the facility. Our secretary step down due to a busy life and Megan E has stepped up to finish out the secretary position! Thank you all for your service! We have a couple panel leader facilities available. Our next business meeting is Friday November 10th at the Southwest center in room 208 at 6:00 p.m. orientation is at 5:30 and it is available on zoom. Meeting ID number 719-844-7092. All of this information has been sent to the web servant thank you for allowing me to serve ❤️

PR Report – Steve F.

Present on Zoom 10/11/23 @ 6:30pm - Dave J, Mike M, Steve F

Vice Chair – Position still open. No report

Secretary – Position still open. No report

Phoneline – Position still open. However, we had two calls.

Events Coordinator – Position still open. However, we have an event at Utah Tech on Oct 18th from 10:00am to 2:00pm, The Wellness Fair. May start set at 8:00am but to be fully set up by 9:30 am. Cost of event \$28.52 out of Dave J's pocket will ask for reimbursement.

Outreach – Chair unable to attend, no report. However, Dave J brought up that we normally have afternoon meetings (a.k.a marathon meetings) set up by Outreach at the SWC. May be different this year secondary to new meeting at 7:30 to 8:30. This still needs to be finalized.

There was a pro tempore Outreach to the Mesquite Misfits Wednesday night meeting. They are supporting the meeting place, barely, but could use help with IPs from area.

Webservant – Webservant unable to attend but the Alt Webservant, Mike M, was attending. There are currently two domains on Google, the new website and the old website. Mike has been tasked with removing the old domain from Google and is in the process of doing said task. Meeting Lists & Literature – New meeting lists have been printed, 800 count. However there has been an increase in costs at Alpha Graphics, secondary to inflation. The previous printing cost was \$154.0+ and new cost for 800 was \$198.0+. Dave said this was still cheaper than the other bids that were \$250.00 to \$300.00. Yes, inflation has hit the meeting lists. Dave will be submitting reimbursement for the mailing and gas costs, which, are unknown at the time I was typing this.

Thank you for letting me be of service,
Steve Funk
